WINDMILL OF BRICK TO SPONSOR BLUECLAWS OUTING FOR OCEAN OF LOVE

Toms River, NJ- In the WindMill spirit of neighbors helping neighbors, the WindMill of Brick is “stepping up to the plate” by sponsoring a Lakewood BlueClaws baseball outing. The event will benefit Ocean of Love, in honor of the Grand Re-Opening of the WindMill of Brick.

Ocean of Love is a non-profit organization that provides assistance to children with cancer and supports their families.

The outing will be held on Wednesday, August 21, when the BlueClaws play the Hagerstown Suns at First Energy Park, 2 Stadium Way, Lakewood, NJ. Ocean of Love children will experience special pre-game, on-field, activities. The game will begin at 7:05 p.m.

“The WindMill strongly believes in the concept of ‘neighbors helping neighbors.’ We strive to give back to the communities that have supported us for so many years. We are celebrating our 50 years of success and the Grand Re-opening of the WindMill of Brick ” said Rena Levine Levy, CEO of the WindMill restaurants.

Ocean of Love is dedicated to supporting the daily needs of children with cancer and their families for over 25 years. It offers support group meetings, counseling, food assistance, household bill assistance, travel expenses to and from the hospital, funeral expenses, holiday parties, car repairs, insurance and more.

“We provide a safe haven of love and support for each child,” said Linda Gillick, Executive Director of Ocean of Love. She explained that the organization encourages its children to consider Ocean of Love as a “life line” at any time.

Ocean of Love is a home away from home where no child or family member needs to knock; the children are family and welcome at any time. When the organization loses a child to cancer, the contact with the family does not end but continues with counseling and financial support.
